Attend the Spring Provider Fair hosted by the Department of Public Health and Human Services (DPHHS) and ACS. This free day-and-a-half training provides medical billers and providers an opportunity to learn more about Medicaid, Healthy Montana Kids, and Children's Mental Health Services policies and billing practices.

Day 1 will focus on materials for providers and billing entities that are new (or existing) to Montana Health Care Programs and Day 2 will be valuable for all providers and billers. Day 2 offers three different tracks, with sessions running throughout the day on a variety of interesting topics.

Lunch will be provided by ACS on Day 2 of the Provider Fair. DPHHS program officers will be available for a "Lunch with your Program Officer" as well as being involved with the classes on Day 2.
